

# Healthcare Accounting Services

## Keeping Your Financial Health in Check

Wessel & Company is a full-service CPA and advisory firm with a focus on the healthcare industry. We help organizations manage their revenue streams, manage risk, adapt to new standards and business processes and provide management with information to monitor the performance of their business.

### One Cohesive Unit

Like you, we genuinely care about our clients. We become an integral asset to your organization. Our team provides the service and consulting needed via regular communication and meetings, to best serve your company.

### Focus Your Talents in the Right Area

We understand you didn't get into business to manage an accounting team. We can take over your accounting functions and provide clear, accurate reports so that you know your exact financial position.

### Practice Lifecycle

We help emerging, newly merged or mature practice groups considering exit or transition needs evaluate their options. Our team will create a blueprint with defined steps to follow, then help you implement the blueprint.

## The Next Step

Take the first step and call our office at (814) 536-7864 to see what our firm can do for you.
